### **StellerVista Credit Union Unveils Renovated Castlegar Branch, Reinforcing Commitment to Community and Excellence**

**Castlegar, BC: November 28th** – StellerVista Credit Union is thrilled to announce the successful completion of a transformative exterior refresh and renovation of its Castlegar branch, marking a significant investment in both its infrastructure and the vibrant bustling core of Castlegar.

This project, initiated in late April, goes beyond structural improvements to breathe new life into a key community space. The redesigned branch exterior not only enhances the streetscape but also contributes to a revitalization of Castlegar's core, bringing fresh energy and renewed pride to the area.

"This renovation represents our tangible commitment to the future of our credit union and the Castlegar community," said Jody Burk, CEO at StellerVista Credit Union. "By investing approximately \$1,000,000 into this project, we are strengthening our presence in Castlegar while contributing to the economic and visual vitality of this important area of town."

The project was led by local contractor Horvath Contracting and Design LTD., exemplifying StellerVista's dedication to investing in the local economy and supporting community businesses. Selected through a competitive bidding process, Horvath Contracting was chosen for their exceptional focus on quality, safety, and craftsmanship.

Throughout the renovation period, the Castlegar branch remained fully operational, ensuring members experienced uninterrupted service. The credit union's commitment to clear communication and member satisfaction was central to the project's success.

Looking ahead, StellerVista plans to draw inspiration from this flagship project to enhance other branch locations, showcasing a unified vision of excellence, accessibility, and service. This investment is a reflection of the credit union's unwavering belief in Castlegar's potential and its future.

The community is warmly invited to visit the newly renovated Castlegar branch to experience the revitalized space and celebrate this exciting milestone with us.
